

LETTER FROM THE PRESIDENT

Thank you for joining us today at Partner ForUM. I hope that you are inspired by our remarkable students and the many ways the University of Memphis is positively impacting our city, our region and the world. Our mission is to provide the highest quality education by focusing on research and service benefiting local and global communities. Much of our work is only made possible through collaborative partnerships that drive these mutually beneficial objectives.

Enclosed is additional information about the transformative work we're doing. These resources have been compiled especially for you, and we encourage you to share with others in your organization.

Again, we appreciate your support of the UofM and look forward to exploring the possibilities with you. Go Tigers!

M. David Rudd
President, University of Memphis
